President's Message

In the name of Allah, The most Gracious, The Most Merciful.

All praise be to Allah, The Lord of the Universe and May Peace & blessings be upon his Final Prophet & Messenger.

Dear Brothers and Sisters, Assalamu Alaikum!

It's my honour to express my warm greetings & sincere wishes to all our members and Indeed, to all our well-wishers for supporting and contributing towards the cause of USMAA, on this historic occasion of the 22nd Anniversary.

USMAA certainly is a proud accomplishment for all of us; old, young; new, veteran; men and women. Surely, USMAA had its own challenges, difficulties and growing pains to come to this stage. Over the past 22 years since the inception, USMAA has grown to be one of the pioneer Sri Lankan organizations not only in Victoria, but also in the entire Australia & back at home, sustaining high levels of consistent performance over a long period by conducting numerous projects both in Australia and back home. Our subcommittees particularly, Janaza Subcom, Educational Subcom, Qirath Subcom play a vital role to deliver exceptional services to deserving people. This year has not been an exception and it has again been a busy year for USMAA. Alhamdulillah, we were able to conduct all our planned activities successfully with a wider participation from our community.

USMAA continues to seek ways and means to provide value to our members and guidance to our future generation. Our current focus is setting the strategic direction for USMAA with long term objectives and goals. We are in the process of developing a framework to facilitate this move and formulating measures to achieve them within a defined time line.

USMAA will remain vital, progressive, strong and forward moving as long as it remains focused on its greater objectives and not side-tracked by petty organizational tangles. The challenge for us is to build upon past successes, learn from past mistakes and take USMAA to the next stage with a greater vision, bold ambitions and a confident outlook.

In closing, I'd like to take a moment to thank all of our members for making this association what it is today. I especially want to thank all of the committee chairs and ManCom members for their hard work and dedication. I encourage you to become active in the many opportunities USMAA offers, keeping in mind that our accomplishments will be realized so long as we function as a cohesive team with a single-minded purpose – to benefit our community! Be unselfish and expect your reward to be a feeling of satisfaction for a job well done no matter what the outcome. Do your best and have fun doing it! Be proud, but be humble.

Stay tuned and look forward to the next year with great anticipation as we continue to lay down the framework from which this Association will grow.

May Almighty Allah guide us in the right path!

Nazeem Yakoob
President

our reward is your success
