USMAA donates food boxes to 'We Care Victoria'

We Care Victoria (WCV) has been spearheading an initiative to distribute food hampers to the most vulnerable in society during this lockdown period. It has been heartening to see members from different communities, faiths and cultural-divides unite in supporting this worthy cause. As at last weekend, WCV had successfully delivered food boxes to over 800 needy recipients from all over Melbourne. Unfortunately, in the process this had depleted most of their donated stock and they required 400 more boxes to meet the 1,200 who had registered with them for assistance.

USMAA had directed all our international students and families who approached us for aid to register with WCV to receive food boxes as well. They were truly appreciative that in this period of Stage 4 restrictions the food boxes were delivered by volunteers to their doorsteps. On receiving such positive feedback from these deserving USMAA recipients, the MC decided to step up and partner with WCV to fulfil, at least partially, the requirements of their balance recipients.

The President of USMAA visited the WCV packing centre yesterday and donated 40 boxes of food rations worth \$1,000 for the needy students.

This is another example of how the USMAA Family has helped the wider Australian Community in their time of need.

May Allah accept our good deeds and bless everyone involved in abundance
