USMAA Celebrates Its 30-Year Anniversary

Dear USMAA members,

Today we celebrate our 30-Year Anniversary. Yes, on this day our now senior members, who were dashing visionaries at that time officially founded USMAA.

So Happy Anniversary to all 'past and present', 'current financial' and 'non-current financial' members!.

An organisation is only strong as its roots and foundation, and in light of that please find below the list of our honorary Founder Members and the rest of the first-year members (honorary Inaugural Members), per the membership applications in the USMAA physical archives. These applications have been scanned and saved to the USMAA website, minus the personal details and signatures of course.

You can also find further artefacts on the "Committees from Past Years" page on the USMAA website.

<https://usmaa.org.au/past-year-committee/>

This is essentially 'Our History' page, therefore if you do have any photos or information about our past events, please share them with our Committee so that we can preserve it on our website. In 20 to 30 years from now your grandchildren and great grandchildren will look at them fondly and proudly as your achievements.

Please take a moment to thank Allah for preserving this organisation for us and of course the hard-working members who kept the flame burning for the past 30 years.
