

USMAA extends financial assistance to foster families of orphans in Kandy

The Rawzul Islam Orphanage caters for 61 orphans. Some are orphans in the true sense of the word having no parents at all while some have no father only. As the mothers are financially unable to support the child, these children have been entrusted to the Orphanage to look after their education and well-being.

Following the Easter bomb attacks, the Divisional Secretariat had informed that all Muslim orphanages and Madrasas could not house any persons, unless there were no foster homes available to place the children in. As a result, the orphans have now been placed with foster families undertaking this task since a monthly payment for the upkeep is given to the foster family by the Orphanage.

Part of the Zakat al Fitr collection for 2021 was used to provide provision packs (sufficient for at least three meals) costing \$17 (Rs 2,500) to these 61 families to enable them to celebrate Eid with the rest of the Community.

Dear Sir / Madam,

We, the Directors of the Board of Rawzul Islam Orphanage, Kurundugolla, Werallagama, are so very grateful to you for your thoughtful Gift of Fitra packs for our Muslim Orphans being given today. The issues have to be done very cautiously, discreetly in keeping with the health department regulations due to the 3rd wave-Covid spreading rampantly.

The Fitra packs were so well accepted and came as a relief welcome gift for Eid this time. Ever since we started this Orphanage project way back in 2006, Rima, my daughter in law, has mustered her friends to help our Orphans with New clothes & Goodies for both our festivals consistently & without fail. She also has arranged school books & stationery every year for the Orphans, whilst others in the family provide them with footwear, school uniforms etc.

This is the first year we could not do anything special for them due to the Covid scare & tough security /travel situation in force... & Allah swt sent his Rahma to them through USMAA. ! May your thoughtfulness be rewarded a thousand fold here & in Aahira....

Few photos taken discreetly and our official receipt for the trf of funds also follows.

Hope Almighty Allah will free the world from Pandemics & Shower his Mercy & Grace with this Eid.... EID MUBARAK.

Yours in Islam,

A.S.M. Ghazali
President.
