

USMAA donates to The Guardian Child Development Centre in Digana

There are 39 orphan girls and boys who are housed at The Guardian Child Development Centre. This orphanage has managed to place the other orphans at foster homes but have not been successful to find homes for the 39. There are 5 caregivers who look after them. We propose to donate \$170 (approx. Rs 25,000) to provide these orphans and caregivers all THREE meals on the day of Eid in shaa Allah.
