17 June 2020

Dear Ruzna,

Thank you so much for your recent donation towards the work of Cornerstone. These are unprecedented times, and we are working hard during the COVID-19 crisis to ensure that people experiencing homelessness and social disadvantage in Dandenong still have access to a hot, hearty and nutritious meal several times throughout the week.

Your support is crucial for us to continue this important work. We are very grateful for the care you have shown to the marginalised and the way that you have contributed to the work of Cornerstone. In the last month alone, we have served over one thousand hot meals and given out many food parcels, and we are so thankful that we can remain open to serve the poor during these times of crisis.

Thank you once again for your generosity and support.

Kind regards,

Ms. Naomi Paterson  
CEO  
Cornerstone Contact Centre
