## Introduction

One of the main tasks of the USMAA Management Committee (MC), as a community-based organisation, is hosting events (hall-based/field-based or via zoom). While the MC organises most of the events, the other Subcommittees also undertake a few, to lessen the burden on the MC (so that they do not get burned out and avoid taking up another year of volunteering).

Below are some standard events that USMAA hosts, with some high-level commentary to act as skeleton framework and guide for a new MC. Most events are run for the benefit of the Financially Current members (FCM)
