USMAA OVERSEAS ACTIVITIES

Representatives from USMAA held several discussion in Colombo recently with members of the Shri Lanka Parliament (from both sides of the political arena) and officials from the Australian High Commission, Refugees' Relief Organization and other Refugees / Charitable organizations, to name a few.

The highlight of these discussions were a guaranteed offer of four fully funded Scholarships annually for Shri Lankan Muslim Students, open to both males and females, to Australian Higher Education Institutions, provided they meet the required selection criteria.

More details on this and other USMAA discussions in Colombo, in further issues.
